

Progressive Corporate – Capability Summary

Overview

Progressive Corporate is an Australian-owned and operated company with over 30 years of experience designing, manufacturing, and installing high-quality commercial furniture and complete office fitouts across Australia.

We specialise in create workplaces that support people, productivity, and community. Our work balances functionality, aesthetics, and long-term performance, delivering environments that serve the people who use them every day.

Our success is built on reliability, experience, and end-to-end project control. By managing our own supply chain and manufacturing, we maintain strict quality standards, competitive pricing, and consistent delivery on time and within budget.

Core Capabilities

- **Design & Fitout:** In-house design team providing space planning, 3D visualisation, and full project management from concept to completion. Our approach prioritises workplace wellbeing, operational efficiency, and long-term usability as well as visual impact.
 - **Manufacture & Supply:** Custom Australian-made furniture solutions ensuring durability, flexibility, and compliance with government and corporate standards.
 - **Turnkey Project Delivery:** Single-point accountability through licensed trades and experienced project managers, delivering complete fitouts including partitions, joinery, electrical, data, plumbing, flooring, and mechanical services compliant with government and corporate standards
 - **Nationwide Rollouts:** Proven capability delivering consistent, multi-site dealership and corporate rollouts for major national brands ensuring quality, compliance, and brand consistency at scale.
-

Experience & Clients Progressive has successfully completed major projects for leading organisations including:

- Victoria Police
- Woolworths
- Hyundai
- Kia
- Nissan
- Bapcor
- ARB
- Victorian Parliament

These long-standing relationships reflect the trust placed in Progressive to deliver safe, compliant, and high-performing environments within regulated and high-expectation sectors.

Commitment to Responsibility Progressive upholds strong corporate responsibility, sustainability, and product stewardship principles. We focus on lifecycle management, refurbishment, and recycling to reduce environmental impact while supporting community and charitable initiatives. This ensures our clients achieve sustainable outcomes aligned with value-for-money, ESG, and procurement objectives.

Indigenous Partnering

Progressive Corporate is proud to partner with the Baan Group, an Indigenous-owned philanthropic organisation. Through this relationship, we support Indigenous-led initiatives and are committed to respectful, meaningful engagement that contributes to community development and long-term social outcomes.
